[Job Placement Rates for Graduates](#)

Acceptance of transfer credits including military credits.

- The Bachelor of Applied Arts & Sciences (BAAS) would accept more military credit than other programs
- Military Service Credit may be considered for military-technical courses listed for credit in the latest edition of A Guide to the Evaluation of Educational Experiences in the Armed Services published by the American Council on Education (ACE). The veteran should contact the Office of Undergraduate Admissions for an evaluation of credits.

Any additional requirements including training, experience, or examinations that are required to obtain a license, certification, or approval for which the course of education prepares the individual. For up-to-date information regarding any additional requirements for your career path, contact your department or academic advisor.
