Sports Wagering

What student-athletes need to know.

The NCAA is committed to protecting student-athlete well-being and the integrity of competition. NCAA sports wagering rules do not allow student-athletes or athletics employees (1) to bet on any sport sponsored by the NCAA at any level, including college and/or professional or (2) to share information for sports wagering purposes.

IF YOU RISK SOMETHING, IT'S A BET

If you put something at risk (such as cash, entry fee, dinner or other tangible item) on any amateur and/or professional sporting event with a chance to win something in return, you violate NCAA sports wagering rules.

NO SPORT WAGERS OF ANY KIND

Types of sport wagers that violate NCAA rules include, but are not limited to, fantasy leagues, March Madness® brackets, Super Bowl squares, Calcuttas, sports pools, online sports bets, sports betting apps, parlay and prop bets, live in-game betting and single-game sports bets.

PLAY WITH INTEGRITY

Student-athletes should NOT share any information about their team or any other team. This includes information regarding team disciplinary actions, strategy, injuries or team morale. This information is sought by gamblers.

LOSING YOUR ELIGIBILITY

Student-athletes who violate NCAA sports wagering rules will be ineligible for competition, subject to appeal to the Committee on Student-Athlete Reinstatement. Penalties will be considered on a case-by-case basis based on the guidelines for the division in which the student-athlete participates.
