

TEXAS A&M INTERNATIONAL UNIVERSITY

Advanced Curriculum & Research, ARC

PRESENTS: DEVELOPING POSTERS

Workshop will help students design an effective poster presentation for professional conferences. Students will receive tips of inserting figures, images and appropriate amount and size of text. They will also learn the various resources for printing the final poster version. Using PowerPoint, students should complete the workshop with a working draft of their poster.

Saturday, March 7, 2020

10 A.M. - Noon

TAMIU Pellegrino Hall 211

Presenters: TAMIU's Dr. Alison M. Hadley & Dr. Kenneth Tobin

RSVP: writngconsultant@tamiau.edu
