Request for Federal Student Loan Due to Parent Nondisclosure

This form is only to be used by students who are considered dependent for federal financial aid purposes and the student's parents refuse to support the student and provide their information on the FAFSA. Approval of this request will not result in the approval for any grants, scholarships, loans (other than Unsubsidized Federal Direct Stafford Loans up to dependent limits) or employment that require a FAFSA to be completed.

Submit FAFSA online at www.fafsa.gov without your parent's information. You will receive an email from the U.S. Department of Education explaining that your FAFSA was rejected due to not submitting your parent's information.
