**COLLEGE OF ARTS & SCIENCES**

TEXAS A&M INTERNATIONAL UNIVERSITY

# College of Arts & Sciences

The College of Arts and Sciences is the University's largest and most comprehensive academic unit. The College enjoys a broad mission in teaching, research, creative activities, and service to our international community. It prepares students to think critically and communicate effectively; increase their knowledge base and appreciate the global nature of their world; participate actively in their education through collaboration with faculty in research and professional activities; become involved as leaders in their communities, and pursue postgraduate and professional degrees in a variety of fields.

A \$300,000 scanning electron microscope with X-ray refraction is available for student research.

Students have access to over 40,000 preserved and live specimens for research.

Home to the Laredo Philharmonic Orchestra.

We are a leader in conducting "pure science" research.

Faculty are thought-leaders in their field and critically acclaimed authors of published research.

Laboratories include electronics, robotics, control systems and computer programming.

## OUR DEGREES

TAMIU is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award baccalaureate, masters, and doctoral degrees.
