COLLEGE OF EDUCATION

TEXAS A&M **INTERNATIONAL** UNIVERSITY

College of Education

The College of Education's mission is to prepare highly effective, culturally competent educational and clinical professionals who are equipped to assume leadership roles in a global society. The College strives to provide a comprehensive and coherent professional development system for educators which links all aspects of the education profession. Through educational experiences provided by the professional development system, educators will be prepared to provide learner-centered instructional experiences that will promote excellence and equality for all students. Faculty are committed to accomplishing this mission through: collaboration with colleagues across the University community and public schools; the use of reflective teaching practices; research that enhances knowledge about teaching and learning, and service to the community of educators in the region.

.... State certification exams.

Students collaborate with area independent school districts to provide tutoring services at Literacy Enrichment Centers.
